

# *how it works*

## **1 FIND A DESIGN THAT YOU LOVE**

You can personalize almost everything, so pick your favorite based on layout and graphics. Need some help choosing materials? Contact us! Tell us about your wedding colors and favorite materials or order a sample to view in person. Samples are pre-made and come exactly how you see online. We're happy to include additional swatches with each sample purchase just note your wedding colors in the order notes.

## **2 PLACE, CUSTOMIZE or CALCULATE your ORDER**

Orders can be placed within the product page. Click on the  button to get started. This page will collect all of your wording and personalization details. Create an account to save and edit wording, material and pricing information. Once you checkout and finalize your order, 50% of your total is due for wedding invites and/or 100% is due for everything else. We will confirm your details and then a designer will be in touch to start your email proof process.

## **3 PROOF, PRINT & SHIP**

Three rounds of proofs are included during the email proof process. All wording, ink color and font style customizations will be worked out during this time. Happy with your proof? Let's print! Your remaining balance is due before we start production and ship. Once your remaining balance and shipping amount has been paid, allow up to 7 business days for production. A UPS tracking number will be sent once your order ships.

Every Beacon Lane design is carefully perfected, but we understand the importance of making each wedding invite uniquely yours. All Beacon Lane designs can be customized to suit your big day. Complimentary changes include: wording, fonts, ink colors & materials. Allow up to 3 weeks for the total turnaround time from start (when the order is placed) to finish (when the order is shipped).
