# HOW CAN I SEE A PROOF?

---

## OUR SUPER SIMPLE PROCESS

- You will work via email with a designer to perfect the invites before printing
  - We don't print all of your invites until you are 100% happy
  - Trust our process, we've been creating invites for 15 years
- We will help you with your wording, proper etiquette, and customizations
  - We print and assemble your invites in-house
    - Guest envelope printing is free!
    - Assembly is free!

## HOW TO PLACE A FULL ORDER

- Choose your favorite design and go to that product page
- Click on the "Pricing, Personalize & Place Order" button
- This will prompt the ordering page which collects all of the info we need
  - A deposit is also needed at this time
- Good news! You don't have to pay the final balance until right before we print

## PRICING & PACKAGES

- Click on the "What's Included" button to view our packages
- Click on the "Pricing, Personalize & Place Order" to calculate an exact total

## PRE-MADE SAMPLES

- Click on the "Order Sample" button to order a pre-made sample
- Our samples come with everything shown in our photos and "Deluxe Package"
- If you are thinking of combining 2 or 3 different designs or changing the color we suggest requesting swatches or telling us what your wedding colors are
- Swatch options (i.e. envelope, backer) are listed on our "Getting Started" page
- If you are short on time, we recommend placing a full order and sample together

## PRINTED SAMPLES

- During certain times of the year we offer a "printed/custom/shipped" main card sample for \$50.00
- This is a great way to see your main wording, ink color, and font customizations before you place a full order
  - This is not necessary to do before you place your full order, but it's important that you are comfortable - so we are happy to offer this

## CUSTOMIZATIONS

- It's very typical for us to change wording, fonts, inks, and material colors
  - Can I combine 2 or 3 designs? Yes, but email us first to verify
- Can I give you a custom image or monogram? Yes, but email us first to verify

## COUPON CODES

- During certain times of the year, we do offer coupon codes
- We recommend taking advantage of our sales when you can to lock in pricing
  - You can place the order early and email us your wording at a later date

## TIMELINES

- Chat us for up-to-date timelines as these vary on time of year
